

# HSA Quick Reference & Training Guide

## Completely Updated for 2012

The 2012 *HSA Quick Reference & Training Guide* is the best, fastest and most reliable way to zero-in on all the rules and regulations affecting Health Savings Accounts (HSAs.) With more and more people opening these tax-favored savings plans to help ease escalating medical costs, you owe it to your customers — and your organization — to get up to speed on how HSAs work, the tax advantages involved, and potential pitfalls to avoid. In fact, everyone in your office or branch should have a copy!

- An excellent training tool and “required reading” for anyone involved in selling or servicing HSAs. . . including employers
- Makes an excellent value-added bonus for handing out to sponsoring employers
- Covers the 2012 IRS rules for reporting HSA transactions on Forms 5498-SA and 1099-SA
- Includes 2013 cost-of-living-adjustments
- Affordably priced so that everyone in your office or branch can have their own copy
- Over 40 pages, written in a style that is easy to understand, ensures mastery of complex issues
- Detailed charts, real-life examples, and citations to specific laws and regulations
- Compact 7-by-10-inch size — goes where you go, in or out of the office!
